Date: August 14, 2013
To: All Tenants — Good Samaritan Medical Office Building
From: Maureen Arguello, Senior Property Manager
Re: Witmer Street Shutdown

Beginning on Monday, August 19, 2013, **Witmer Street** will be closed to through traffic and will remain closed until all construction of the new Medical Pavilion has been completed. The affected area will extend north from Wilshire Boulevard to just south of Shatto Street. This closure is required to provide a path of travel from the construction staging area to the construction site itself.

Directional signage is currently being installed to facilitate with the routing of pedestrian and automobile traffic. Valet service will remain open and available to all visitors throughout the closure period. Attached is a drawing of the affected area for clarification.

We thank you in advance for your patience and ask that you use extra caution as you navigate around the campus construction areas.
